

THE NEXT GENERATION IS WATCHING

Did you
know?

76% of Gen Z workers say
they'd switch jobs for
employers who take real
climate action?

Purpose, sustainability, and well-being
aren't perks — they're essentials for
attracting & retaining young talent.

Liana Peterson

@lianapeterson

A workplace strategy firm surveyed Gen Z & Millennials worldwide.

They found young employees expect employers to tackle climate change and support mental health.

76% are willing to switch jobs for companies that align with their values.

The firm shares this insight to help clients future-proof their workplace culture.

Is your workplace ready for the next generation?
